Envision Networks® The Core Welcomes KXRR-FM *Monroe's Rock 106 Now Offers 90s Rock Show*

(AUGUST 2014) – **Envision Networks®** is proud to welcome **Lagniappe Broadcasting's KXRR-FM/Monroe, LA** as the newest affiliate of *The Core*, a weekly two-hour program featuring the music and artists that thrived in the 90s. With **Rock 106** broadcasting *The Core* every Sunday mornings at 6 a.m., it joins over 350 affiliates on the **Envision Rock Network**.

Hosted by **Meltdown** and programmed by **Steve Black** from Detroit's rock powerhouse WRIF, *The Core* features music from such 90's rock artists as Pearl Jam, Nirvana, Red Hot Chili Peppers, Soundgarden and U2. As one of the first nationally syndicated shows to follow the PPM format, *The Core* is programmed with extended music plays and only two commercial breaks an hour. *The Core* uses weekly benchmarks to dig deeper into the roots of the bands that formed their sound in the 90's by highlighting interview clips and actualities in the "Artist Profile," remembering the big musical event of the week in rock history with the "Core Sample."

Stations interested in more information can visit goenvisionnetworks.com or contact Hannah Rosenthal at 216-831-3761 or hannahr@envisionradio.com.

About Envision Networks®:
