Envision Networks® The Core Welcomes WQBK-FM *Albany's Rock Station Q103 Now Offers 90s Rock Show*

(FEBRUARY 2014) – **Envision Networks®** is proud to welcome **WQBK-FM/Albany, NY** as the newest affiliate of **The Core**, a weekly two-hour program featuring the music and artists that thrived in the 90s. With **Q103** broadcasting **The Core** every Saturday evening at 8 p.m., it joins over 350 affiliates on the **Envision Rock Network**.

“With WQBK’s music being centered in the 90s, The Core is an amazing fit for the station,” said **Wes Styles, Brand Manager at WQBK-FM**. “Meltdown and Steve Black have crafted a show that plays the music with less interruptions and offers up some great content for the audience.”

Hosted by **Meltdown** and programmed by **Steve Black** from Detroit’s rock powerhouse WRIF, **The Core** features music from such 90’s rock artists as Pearl Jam, Nirvana, Red Hot Chili Peppers, Soundgarden and U2. As one of the first nationally syndicated shows to follow the PPM format, **The Core** is programmed with extended music plays and only two commercial breaks an hour. **The Core** uses weekly benchmarks to dig deeper into the roots of the bands that formed their sound in the 90’s by highlighting interview clips and actualities in the “Artist Profile,” playing rare acoustic and live versions of the songs listeners’ know and love with the “Core Performance,” and remembering the big musical event of the week in rock history with the “Core Sample.”
