## **Classic Rock Live Welcomes KZFX-FM** ***Los Angeles' Coyote 93.7 Joins Envision Rock Network***

(FEBRUARY 2014) – **Envision Networks®** is proud to welcome **KZFX-FM/ Los Angeles, CA** as the latest affiliate of **Classic Rock Live**, the two hour classic rock show featuring recorded live performances and hosted by rock radio legend **Pierre Robert (WMMR-FM/Philadelphia)**. With **Coyote 93.7** now airing **Classic Rock Live** on Saturdays at 8pm., it joins over 350 affiliates on the **Envision Rock Network**.

"Classic Rock Live is like going to a concert or music festival every Saturday!" said **KZFX's** owner **Chuck Contreras**.

**Classic Rock Live** is the first "concert" radio show to adapt to the way people listen to music today by incorporating ten or more live performances from a variety of artists every hour, featuring rare and exclusive live versions of rock classics from such artists as **Tom Petty, Aerosmith, The Who, U2, Eric Clapton, Jimi Hendrix** and **Stevie Ray Vaughan**. Each week, **Classic Rock Live** includes the latest tour and artist news along with the exclusive "Wish You Were There," segment, which highlights rock and roll dream pairings such as **Jimmy Page** joining **Aerosmith** on-stage or **Roger Waters** joined by **Eric Clapton**. Rarities are played in the "Unreleased Live" segment and the radio show ends each week with an "Encore," featuring the iconic hits that you'll always find in each band's set list.

**Classic Rock Live** host **Pierre Robert** has been the afternoon drive host at heritage Philadelphia area rock station **WMMR-FM** for nearly 30 years. A consummate radio professional and concert aficionado, Robert has attended more than a thousand shows all over the globe. No one is better suited to bring an audience great classic rock moments and personal experiences from the most renowned tours.
