Full Metal Jackie Radio Adds WZLB-FM *Panama City's 103.1 The Blaze Joins Envision Rock Network*

(FEBRUARY 2014) – **Envision Networks**[®] *Full Metal Jackie Radio* welcomes **Apex Broadcasting's WZLB-FM/Panama City, FL** as the newest affiliate of the fastest growing metal show on radio. With **103.1 The Blaze** broadcasting *Full Metal Jackie* every Sunday night at 10 pm, the station joins over 350 affiliates on the **Envision Rock Network**.

"For two years here at 103.1 The Blaze, we've built this station and brand as the antithesis of stodgy, boring, traditional rock radio," said **Greg "Gonzo" Sutton, Program Director at WZLB-FM**. "We give the people exactly what they want.... more rock, more metal, and more of 'not being like everybody else!' Launching Full Metal Jackie on this station was the next logical step for us. Asking Jackie to blaze it up with us was a 'no-brainer.' She brings personality and passion for the music and the artists, and we're confident Full Metal Jackie will translate with our audience!"

Full Metal Jackie Radio is two hours of fist pounding metal, hosted by renowned metal radio personality **Full Metal Jackie (FMQB Metal Host of the Year, four time winner!)**, featuring regular interviews with many of metal's biggest names, past and present. About Full Metal Jackie:

Full Metal Jackie began her radio career as an on-air personality at WHTG (Neptune, NJ), and later at WDHA (Dover, NJ). After a short stint as on-air host at San Diego's 94.9 KBZT, Jackie landed the opportunity she had been working toward since her early WSOU days: host and producer of her own (and L.A.'s only) commercial heavy metal radio show, *CHAOS* on **Indie 103.1**. Today, Full Metal Jackie's show can be heard on some of the best rock radio stations throughout the United States.

Full Metal Jackie recently expanded her two-hour show to a 24/7 hard rock and heavy metal channel on iHeartRadio. Listen here: www.iheart.com/live/Full-Metal-Jackie-6225 Can't get enough
