[Click here](#) to listen to a clip of **Coones**, who plays **Rane Quinn** on *Sons of Anarchy*, speak at length about his role on the hit FX series, including how he got cast and the success of the show.

“It’s funny man. You can’t go anywhere without people saying, ‘Hey man, I just saw you blow somebody’s head off,’” said **Coones**. “I am telling you, it happens to me everywhere. I was eating lunch and somebody just did that.”

Coones attributes *Sons of Anarchy* success to the show’s great writing, “Even the actors, we don’t know what is coming down the pike until we get the script. You can’t wait to read your next script to see what is going on, who’s alive and who is dead.”

Seinfeld chimed in, “And make sure it’s not you!”

Coones agreed, “No one is safe on this show, except maybe Charlie [Hunnam].”

Tune in to *Hangar 19* for more about their TV projects, plus **Seinfeld** and **Coones** go into detail about **Attika 7**, discuss **Coones**’ journey from prison to rock star/actor, and share inspiring words about putting your troubles behind you and following your dreams!
