Rob Halford and Dave Mustaine Interviewed on Hangar 19 *Legendary Metal Icons Tell All to Cutter*

(JUNE 2013) – **Envision Radio Networks®**, *Hangar 19* continues to welcome some of heavy metal’s biggest names as guests on the program each week.

The “Metal God” himself, **Rob Halford** from **Judas Priest**, recently graced the Hangar 19 airwaves with his presence to discuss a number of topics with host **Cutter**, including the band’s brand new live DVD *Epitaph*. He addressed the subject of future **Judas Priest** tour dates with some good news that will be pleasing to metal fans worldwide.

“There’s no way you can put the brakes on rock n’ roll. There’s always another stage to play somewhere in the world... We are just going to slow it down a little bit... There’s a lot more to come from Priest without a doubt.”

After being in metal for 40 years, Halford reflected on the one moment that stands out most for **Judas Priest**: “I always have to go right to the beginning. That day that we all received the one copy of our new record in the mail... It’s just a tremendous rush, because you feel this could be the moment...when you know that you have made something that could go away from your shores to other points around the world, and your music can touch people thousands of miles away... it’s just a blast.”

This coming weekend, **Hangar 19** will welcome another metal legend **Dave Mustaine** of **Megadeth**. The metal veteran joined Hangar 19 to talk about all things **Megadeth**, including this year’s touring plans and the new album *Super Collider*. He says that the inspiration for the new collection came about naturally commenting, “You got to live life in between records to have something to write about, and man I have lived a lot of life.” The album finds **Megadeth** heading in a different direction and **Mustaine** acknowledges that he’s aware of the feedback sharing that “The people who have heard it... [said] you’re kind of taking a risk here.”

The podcast version of **Dave Mustaine's** complete interview will be available early next week. You can listen to the **Rob Halford** interview now at www.hangar19radio.com via this direct link: <http://www.hangar19radio.com/interview-rob-halford-of-judas-priest/>
