Spokane Says Howdy To HANK FM® ***KNHK-FM Joins Envision Country Network***

(DECEMBER 2014) – **Envision Networks®** and **Kroeger Media Inc.** are excited to announce **Alexandra Communications' KNHK-FM/Spokane, WA** as the latest affiliate of **HANK FM®**. With **KNHK's** recent launch as **104.5 HANK FM®**, the station joins over 200 affiliates on the **Envision Country Network**. Listen to **HANK FM®** at CrankTheHank.com.

“We’re excited to bring Hank FM to Spokane. We’ve seen in other markets how listeners and advertisers seem to just ‘get’ the Hank concept. We’re looking forward to a prosperous year ahead as more people crank the Hank in this area,” said **KNHK General Manager Chris Gilbreth**.

From the creator of the Variety Hits Format and **BOB FM™**, Kroeger Media’s **HANK FM®** is a turnkey, 24/7 variety-based country radio format that provides unique personality-driven radio for your market that is in touch with the current listening trends and methodology used by your listeners.

Similar to its Adult Hits cousin **BOB FM™**, **HANK FM®** doesn’t play by the rules. **HANK** breaks the mold with a unique mix of over 1000 tested titles spanning from the 80’s, 90’s, 00’s and today. This wide and unique music library can be molded into three distinct **HANK** flavors that can be customized to meet any market’s needs: **HANK Plays Everything Country**, **HANK Classic Hit/Country Legends**, and **HANK Plays New Country**.

HANK FM® offers different levels of programming packages available for both cash and barter. In addition to the rights to use the **HANK** name and logo, affiliates have access to a constantly updated music library, creative on-air copy and cutting-edge station imaging including voice, sweeper, promos and jingles. **HANK** also offers off-air support with promotional ideas, daily music logs and programming guidance.
