KRTZ-FM Deploys FREE Mobile App From Envision Networks® *Albuquerque's 98.7 Now Utilizing Nobex Partners Customized App*

(JUNE 2014) – **Envision Networks®** welcomes **American General Media's KRTZ/Albuquerque, NM** as the latest affiliate of **Nobex**, a FREE mobile app for radio stations. With **KRTZ 98.7** releasing its app that allows listeners to stream their content anywhere, the station joins over 5,000 live apps on the Nobex Partners Mobile App Network.

The **Nobex Partners** wizard swiftly guides stations through the process of producing fully-functioning cross-platform, native, customized apps for iPhone, Android, BlackBerry and Windows Phone. Using the **Nobex Partners** system, stations keep their brand identity while harnessing state-of-the-art features including an interactive playlist with song and artist details, integration with the station's Facebook, Twitter, and YouTube feeds, and even music videos available in the app.

With the **Nobex Partnership Model**, it is easy for stations to monetize their app with shared revenue from mobile ads. **Nobex Partners** also provides valuable business intelligence to help chart the success of the app, including daily registration reports, streaming session stats, and a Live Activity Map that lights up when listeners launch the app.

Radio stations interested in creating their own **FREE** app should visit <http://partner.nobexradio.com/Default.aspx?refer=ERN3>. For more information contact Hannah Rosenthal at 216-831-3761 or hannah@envisionradio.com.
