**Envision Networks® The Rockin' 80's Welcomes WJLI-FM**  
***Paducah's Jelli 98.3 Joins Envision Rock Network***

(FEBRUARY 2014) – **Envision Networks®** and **4C Studios** are pleased to welcome **WJLI-FM/Paducah, KY** as the newest affiliate for **The Rockin' 80's**. With **Jelli 98.3** now broadcasting **The Rockin' 80's**, it joins over 200 other affiliates on the **Envision Rock Network**.

"When we flipped to Classic Rock our listeners were shouting out and requesting (sometimes relentlessly) for a couple of programs, and The Rockin' 80s was one of those programs," said **Phil Reeder, Program Director at WJLI**. "Who am I to tell the masses that they're wrong, as long as they put Jelli 98.3 in their diaries."

**The Rockin' 80's** is the only 80s show with a mix of the best rock from the decade of excess, plus "oh wow" tracks that add spice to the weekly line up. Hosted by longtime rock radio personality **Zander**, **The Rockin' 80's** features rarities from the '80s "Lost and Found", an '80s "Two-Fer," spotlighting two contrasting songs from one band played back to back, and much more. Featured core musical artists include: **Guns N Roses, Motley Crue, Van Halen, Rush** and **AC/DC**.
