SpotVO Expands Service Offerings *ExpressVO Launches With More Voices, More Choices*

(NOVEMBER 2014) – **Envision Networks**[®] is proud to announce the expansion of **SpotVO** to now include **ExpressVO**. This new addition to the service will provide unlimited access to a greater selection of voices in English and Spanish with same day or next day delivery.

ExpressVO is easy to use. Simply submit your copy and choose a voice. You will receive a professional quality voiceover within 24 hours. **SpotVO** will remain just as easy to use as it has been in the past. Simply submit a script or pick one from the library, choose one of the industry's top voices, select a music bed that suits your format and click send. A fully produced spot will be sent to you the next day ready for broadcast or client approval.

Affiliates of **SpotVO** will receive access to complete commercial production through the original service in addition to spot voiceovers through **ExpressVO**.

SpotVO and **ExpressVO**'s voice talents have been featured collectively in the **NBA, NFL, NHL, Discovery Channel, Subway, Comcast, Mazda** and more! **SpotVO** features the best production talent in the industry, ensuring that every commercial is quality produced and customized for your needs. Top-notch spot production options include thousands of library scripts, written by professional copywriters, and a selection of on-demand music beds available in a wide variety of formats.

SpotVO and **ExpressVO** are the creation of talent/imaging producer **AJ (KDWB/ Minneapolis, KDMX/Dallas, KRBE/Houston, WIAD/Washington DC)** and legendary Los Angeles programmer, consultant, and **The Rooster and Radio Playbook** prep creator **Mike Marino** (former PD of **KHHT-FM** and **KYSR-FM/Los Angeles**), who are also the creative forces behind **Imaging Chop Shop**.

See for yourself how easy spot and voice production can be by visiting www.spotvo.com or www.expressvo.com to hear audio samples. Contact **Valerie Brooks** at ValerieB@envisionradio.com or 216-831-3761 for more information about **SpotVO** and **ExpressVO**.
