Kolt Country Climate Covered By VirtualNWS Weather

AMS Certified Meteorologist Kevin Williams Provides Forecasts For KSED-FM

(OCTOBER 2014) – **Envision Networks**[®] is excited to announce **Grenax Broadcasting’s KSED-FM/Flagstaff, AZ** as the newest affiliate of **VirtualNWS Weather Reports**. The remote weather service provides accurate, local, and up-to-the-minute forecasts for radio stations throughout the USA from an expert team of meteorologists. With **American Meteorological Society (AMS- Certified) Kevin Williams** now delivering daily weather forecasts to **107.5 Kolt Country**, the station joins over 700 affiliates on the **Envision Services Network**.

“**VirtualNWS Weather Reports** has allowed me to not worry about having an accurate, up-to-date weather forecast [and it comes] without the cost of hiring a meteorologist who might take pens off my desk,” said **Kolt Country PD Jordan Glaza**.

VirtualNWS offers complete locally-derived news, weather and sports solutions for radio stations 24 hours a day, 365 days a year, on a barter basis. With the weather component of **VirtualNWS**, radio stations receive up to five daily forecasts each weekday and 24-hour on-call severe weather coverage. Our team of certified meteorologists is ready to spring into action whenever severe weather hits. With a state-of-the-art network fully equipped with power backups and cloud computing technology, we provide uninterrupted delivery of the weather when listeners need it the most.

VirtualNWS Weather Reports fits a wide variety of formats including AC, Classic Hits, Country, Adult Hits, News/Talk, and Sports stations. The meteorologists easily lend themselves to customized event-related forecasts for local community, sporting or station events. To further suit your station’s needs, our weather packages include weekend reports, multiple station customizations, and weather related disaster coverage.
