Envision Networks® Westar Music Launches New Website
Over 11,000 Royalty-Free Music Tracks and 113,000 SFX Now Available at
WestarMusic.com

(OCTOBER 2014) – **Envision Networks®**, **Westar Music Library** is thrilled to reveal its newly updated website at WestarMusic.com. The new interface for **Westar Music** features a streamlined experience for users to search, organize and download thousands of royalty-free music tracks and sound effects.

“With new features and benefits that our users asked for, we believe the new WestarMusic.com is quite simply the most seamless, easiest to navigate website available for high quality production music and professional sound effects,” said **Westar Music sales manager Peter Alexander**.

Whether you want to download a single track, a set of tracks or a full album, **Westar Music** makes it easy to download files direct to your computer without the use of an online shopping cart. Additionally, the new playlist and folder feature allows users to organize songs and sound effects to save for future use. Users can also choose to download any custom playlists they create through the site.

Westar Music’s commercial library currently offers more than 11,000 royalty-free music tracks sourced from the broadcast industry standard as well as more than 113,000 sound effects, with more constantly being added. It features more than 30 commercial categories to help you locate the audio tracks that fit your production. Though massive in size, the **Westar Music Library** is easily searchable and allows you to combine music categories, musical styles, instrumentation, and tempo to find the right track. Selections from this world-class library can be heard on such major broadcast networks as ESPN, Cartoon Network, CNN, HGTV, TBS, The Travel Channel and more.

Westar is brought to you by the SFX Masterminds behind the Sound Ideas libraries, the industry standard in sound effects, as well as **AJ** (KDWB/Minneapolis, KDMX/Dallas, KRBE/Houston, and

WIAD/Washington DC), the imaging mastermind behind **Envision's AudioChopShop**, **SpotVO** and **Imaging Chop Shop**.

Preview the brand new **Westar Music Library** at www.westarmusic.com. For additional details or to sign up for a free trial, contact **Valerie Brooks** at 216-831-3761 or ValerieB@envisionradio.com for more information.
